TO : Director of Logistics

DATE: 20 April 1956

FROM : Supplemental Programs Division, OC

SUBJECT: Air Conditioner for [REDACTED]

25X1A6a

REF : [REDACTED] (IN 48341)

1. It is requested that Chief of Station in [REDACTED] be granted permission to purchase one air conditioner locally for immediate installation in the CIA communications area. The area requiring the air conditioner is restricted and the work performed in this room is highly classified. Due to security restrictions the windows and door cannot remain open at anytime.

2. Thus, to provide adequate working conditions for the communications personnel occupying this area it is requested that the action in the referenced cable be approved.
